

THE ARTIST EYE
a retrospective look at the work of

Don MacDaniel

Opening reception March 8th 6-8 PM

It gives us great pleasure to present a retrospective look at Don MacDaniel's long and versatile artistic career. Don's works include landscapes, still lifes, figurative, and abstract works. Join us in celebrating the work of this wonderful Connersville artist and native son.

The Traveling Show

WE NEED YOUR TRAVELING SHOW PIECES !!!!
Artwork for the Traveling Show is due at the March 20th meeting. We have a very big area to fill, so bring in as many as possible. Remember, the piece should be 6 X 6, 5 x 7, or 8 x 10. Also, the theme is "Celebration" and should include a red balloon (either hidden or as part of the painting). Watercolors and pastels should be protected inside a plastic box like before. Acrylic and oil will be OK without the box. If you drop your piece off, fill out the information blank that Doug has prepared. Get busy!!!!

Spring Workshop

Brenda Kunkle has procured Jerry Smith, watercolor and acrylic painter, for our spring workshop. It will be an acrylic workshop; but, he uses the acrylic almost like watercolor. The workshop will be held on May 18, from 10:00 a.m. - 4:00 p.m. The cost for the class is \$40.00 per member and \$60.00 for non-members. We will only have 12 student spots available. To attend the workshop call Brenda Kunkle at 825-3579..

THE PRESIDENT'S CORNER

We have started a new year - our new year of producing artwork!!!! Even though we just finished a very busy year working on auction pieces, we need to get "right-back-in-there" and create!!

We are very busy at the art gallery. Terry Hreno is ready to take down the Permanent Collection show and hang the Don McDaniels show. We have the traveling show wall up and ready for traveling show pieces. And, plans are wrapped-up for the spring workshop.

We hope all of you plan to join us this year during our open work days. Not only will you find the experience fulfilling artistically, but it's a great social experience. We really have a lot of fun! Whether you have an abundance of art skills or very little, it is a learning, fun environment.

Hope to see you at the Gallery.

Lisa
