

ART OPPORTUNITY

I hope you are using your imagination and coming up with some great ideas to create something spectacular to donate to our Art Auction "An Evening at Mardi Gras". Remember that this is our major fundraiser to support WVAA. Save the date on your calendar – Saturday, November 8, at Expo Hall! If you need help, Dee Boehmer will be down at the gallery on Tuesday evenings working on furniture etc. for the auction. She will be happy to get you going in the right direction.

We are still looking for artists to participate in the Garden Club/Art Show in June. This is a great opportunity to let our community to see the talent right here at home. What could be better than seeing great art and beautiful flowers all in the same place!

Artzzy Party is now booking parties for the new year. These can be held at the WVAA gallery or at the venue of your choice. This is a great way to spend an evening with friends and family and introduce them to art! Call Sharon McQueen at (765) 692-0368 or Cindy Holland at (765) 561-1173 for more information or to book your party.

THE PRESIDENT'S CORNER

Well, it has been a Winter to talk about. Brrrrrr. I don't know about you but I am anxiously anticipating Spring. Hopefully the weather will cooperate so that we can go about our business and our play without anxiety.

Our newest exhibition will feature some of the ladies that have been with the association for awhile. Make a point of coming out and seeing this show. It's important that you as members participate and come down to see what's going on with your gallery. Get your family and friends together and come to an opening. It's fun and it shows your support.

We are busy working on projects for the Art Auction for this year. We are asking for your help with our fundraiser by your donation of Art work such as Fine Art, Furniture as Artwork, pottery, etc. In addition, we ask that you help with the development and actual setting up of the auction itself. It takes all of us to make this important fundraiser a success.

Artzzy Party is coming out of its Winter Hibernation and is ready to play. Spread the word and let's get some parties set up for your other organizations and groups. It's a great way to spend an evening!

We have been busy getting the building in shape so that we can work on projects for the auction. We will soon have new electrical and lighting in the basement along with a couple of updates on the gallery floor.

It's almost time to get your artwork in for the Traveling Show "Abstracts." It's due by the March General Membership Meeting. So let's get painting and put on a fantastic Traveling Show.

Check out Upcoming Workshops for an exciting watercolor workshop coming up in April. Space is limited so get your name in now.

Paintings for the Garden Club/Art Show are due in May so let me know if you plan on doing a painting. Theme is "Kaleidoscope of Flowers."

We hope to do some plein air painting when the weather warms up. There are some great places to go for the day and paint. Please plan on joining me.

That's it for now. Keep warm and safe. Let's paint!

Sharon
