

ARTzzy pARTy is coming to the WVAA

A committee has worked hard to organize a social event for our organization that will also make us a little money. Brenda Kunkel, Cindy Holland, Sharon McQueen, Juelane Matney, Janine Hurd, Tracy Burns, and Patti Starr have put a lot of time and effort into planning this new adventure. We plan on having special painting evenings for local individuals or clubs/organizations. ARTzzy pARTy will include a night of painting like a famous artist or other creative works, with one or two of our talented artists as instructors. The committee will pick a famous painting, and the instructors will guide the group in attendance through a fun night of painting! Drinks and snacks will also be part of the fun. More details will follow as the committee wraps-up all the details.

Next Exhibit at the Gallery

Terry and Judy will be hanging the next exhibit at the gallery this week. Exhibiting will be the Whitewater Artists Guild. The opening night will be on Friday, September 13th from 6:00-8:00 p.m. Please plan to attend and enjoy the evening of snacks, wine and art!

THE PRESIDENT'S CORNER

Wow - where has the summer gone? Everyone has been so busy that fall has crept up on us already. We had such an exciting summer with the Bicentennial Celebration! The mural (still on display at the association) was a huge success, winning Best-of-Show. Way-to-go to all the members that participated. Also, we had over 300 visitors at our Member Show and sold several pieces. Congratulations!

The traveling show has also been a big hit this summer. We have sold several pieces from that exhibit, and it is now at Dr Yaryan's office. We had a great turn-out for the August pitch-in, and enjoyed a wonderful meal. Thanks everyone that prepared something for the evening!

We have many big plans in the works and hope to see you at the September meeting!

A NEW BUILDING?

As many of you know (discussion at our last meeting), we have started the process of looking into purchasing a new building. We are growing at the Association and could use more space. Once we began to discuss this at our meeting in August, the majority voted for us to go forward and investigate the idea. This is only in the beginning stages and may not even happen. A large group of members took a tour of Dick Smith's downtown law office building last Tuesday.

Because the building is available for purchase, we thought we would just look it over. Also, we met and discussed the pros and cons of such a huge undertaking. We are looking into just what it would cost, and if other buildings might also be available. We would appreciate all input regarding this matter. Please e-mail me at jlgett@yahoo.com or call me at 765-932-2763 with your ideas and suggestions. If you would like to help on a committee for this, let me know. We will not be making any decisions regarding a purchase without bringing it before the entire membership.
